

At My Weakest James Arthur

It's a long night and a big crowd
_____ these lights looking
_____ you
Yeah, I'm steppin' _____
_____ moonlight
To get my head right, lookin' out for
you, yeah

Could it be your eyes
Didn't know that I've been
Waitin', waitin' _____ you
When you're _____ my side,
everything's alright
Crazy, I'm crazy _____ you

Refrain: Oh, here I go, _____ that road
Again and again the fool rushin' in
But I can't help when I feel some
kind of way
Do you feel the same? 'Cause
And I fall, I fall _____ you
You caught me at my weakest
And I fall _____ you

Nah, It's a long night and a big
crowd
_____ these lights looking
_____ for you
Mmm hmm
You, you give me hope right
Reason desire livin' this life
Only now _____ you, Oh, _____ you

When you by side everything's
alright
I'm crazy, I'm crazy _____ you
oh,...

When you're _____
my side
everything's alright
I'm crazy, I'm crazy
_____ you

Refrain: Oh, here I go.. I fall _____ you

Love you gonna-gonna hold _____
me (hold _____ me, hold _____ me)
Tell me what you gonna do _____
me (do _____ me, do _____ me)
Now you gonna got your hands on
me (touchin' me, tounchin' me)
Oh tell me what you gonna do

Refrain: Oh, here I go..
I fall _____ you
