

Billie Eilish NO TIME TO DIE

I should have known
 I'd leave _____
 Just goes to show
 That the blood you bleed is just the blood
 you owe
 We _____ a pair
 But I _____ you there
 Too much to bear
 You were _____, but life is far away
 from fair
 Was I stupid to love you?
 Was I reckless to help?
 Was it obvious to everybody else?
 R: That I'd fallen _____
 You were never on my side
 Fool me once, fool me _____
 Are you death or paradise?
 Now you'll _____ see me cry
 There's just no time to die
 I let it _____
 You're no longer my concern, mmm
 Faces from my past _____
 Another lesson yet to _____

[Verse 1]

I should have known

I'd leave alone

Just goes to show

That the blood you bleed is just the

blood you owe

We were a pair

But I saw you there

Too much to bear

You were my life, but life is far away

from fair

Was I stupid to love you?

Was I reckless to help?

Was it obvious to everybody else?

[Chorus]

That I'd fallen for a lie

You were never on my side

Fool me once, fool me twice

Are you death or paradise?

Now you'll never see me cry

There's just no time to die

[Verse 2]

I let it burn

You're no longer my concern, mmm

Faces from my past return
