

Let Me Down Slowly

Alec Benjamin

This night is cold ____ the kingdom
I can feel you fade away
____ the kitchen ____ the bathroom
sink and
Your steps keep me awake
Don't cut me ____, throw me ____,
leave me _____ to waste
I once was a man with dignity and
grace
Now I'm slipping through the cracks
of your cold embrace
So please, please
Could you find a way to let me down
_____?
A little sympathy, I hope you can
show me
If you wanna go then I'll be so lonely
If you're leaving baby let me down

Refrain:Let me down, down
Let me down, down
Let me down, let me down
Down, let me down, down
Let me down
If you wanna go then I'll be so lonely
If you're leaving baby let me down
slowly
Cold skin, drag my feet on the tile
As I'm walking _____ the corridor
And I know we haven't talked in a
while
So I'm looking _____ an open door
Don't cut me ____, throw me ____,
leave me _____ to waste
I once was a man with dignity and
grace
Now I'm slipping through the cracks

of your cold embrace
So please, please
Could you find a way to let me down
_____?
A little sympathy, I hope you can
show me
If you wanna go then I'll be so lonely
If you're leaving baby let me down

Refrain:Let me down,... lonely
And I can't stop myself from falling
down
Could you find a way to let me down
_____?
A little sympathy, I hope you can
show me
If you wanna go then I'll be so lonely
If you're leaving baby let me down

Refrain:Let me down,... lonely
If you wanna go then I'll be so lonely
If you're leaving baby let me down
slowly
If you wanna go then I'll be so lonely
If you're leaving baby, let me down
slowly
