

### CHARM Lyrics

[Verse 1] Sun is setting down  
I'm on so \_\_\_\_\_, making deadlines

But only think about your face  
How do I handle that

My boss \_\_\_\_\_ and I'm \_\_\_\_\_

all of the people who tell me to Get

back in place

[Pre-Chorus] What an issue Just want to be  
with you I can't say " \_\_\_\_\_ " to you Boy I  
hate when I miss you This power within you  
Boy I can't \_\_\_\_\_ Why is that?

[Chorus]

Maybe it's your charm  
I get dragged Along the way

Oh it's \_\_\_\_\_ But \_\_\_\_\_  
How do I Get all this work done

And I know that it might happen I end up with  
none What have I done Swear it's your charm

[Verse 2]

Man I'm such a clown  
The clock is ticking while \_\_\_\_\_ what  
it's like to run fingers Through your hair  
And boy when you're around  
I forget about the threat of losing everything that  
got me here

[Pre-Chorus] [Chorus]

What an issue ..... Swear it's your charm

[Bridge]

The way you're awkward \_\_\_\_\_  
Way you're bragging 'bout your car  
Makes me run to you Maybe it's your charm  
Way you're playing my \_\_\_\_\_  
Way you smile just like a \_\_\_\_\_  
Makes me fall for you <3 All
