9.

Imagine the following situation:

You and your English-speaking friend would like to change your lifestyle to feel better. You should talk about the changes you can make and agree on some changes you are going to make. The examiner will play the role of your friend.

What to change How much money to spend
 Why to change it When to start
 How to do it Other

4A Eat healthy food, change you eating habits

4B

Drink plenty of water

4C Reduce stress, think positively, relax

4D

Make changes to your daily routine, get a lot of sleep

4E Change your appearance (hair, clothes etc.)

4F

Exercise regularly, find new sport activities

(Imagine the following situation.)

Our school is organising a Good Health Week. Your English class has decided to join in. I am your English teacher and we should discuss which of the suggested topics might be the most popular ones with students.

- Healthy eating
- Introduction to yoga
- Alternative approaches to medicine
- Dangers of drug abuse
- Health and the environment
- Other

Imagine the following situation:

You are studying in London. Three days ago you started to feel ill and you have a high temperature. You decided to see a doctor and ask for help. You are insured. I am the doctor and I am going to start the conversation.

- Reasons for coming
- Symptoms
- What to do?
- Where to buy the medicine?
- Insurance
- Other

Imagine the following situation:

You are studying in England. You and your English speaking friend have been asked to plan a lecture or an event about health at your school. First, you should choose a topic which you find interesting for your schoolmates and then discuss the organisation of the lecture/the event. The examiner will play the role of your English speaking friend.

- Discussion about drug abuse
- Lecture on healthy eating habits
- Lecture on the health benefits of doing sports
- Workshop – making a poster with the topic "How to deal with stress"
- First aid course

PART FOUR

Helping others

Charity projects

AGP

Imagine the following situation:

I am your English speaking friend and we would like to help others. First, we should agree on which activity to do and then talk about the details of it.

- What?
- Why?
- Where?
- When?
- What will we need?
- Other

Have you already thought about the activity we could do to help the others?

- volunteer work at a hospital
- helping at an animal shelter
- organizing a concert to raise money for a children's home
- other?

Imagine the

following situation:

You are **studying in England** and your school would like to **take part in a charity project**. Your teacher has asked you to **help him/her decide** in which project to participate. You should **discuss the advantages and disadvantages** of the different projects and then **agree on at least one** that would be appropriate.

- Child sponsorship
- Volunteer work in an animal shelter
- Adopting an animal from the ZOO
- Taking and selling photographs to raise money for a children's home in our town
- Organising free PC courses for senior citizens
- Other

Imagine the following situation:

I am your English speaking friend. I do not feel very fit. I would like to ask you for some advice on what we could do together to feel better and healthier. First, we should agree on an activity and then talk about the details of it.

- What?
- When?/How often?
- Where?
- What will we need?
- How much?
- Other

Hi, XY, I am not feeling very well these days. I am tired/My back hurts. Do you know what I could do to feel better?

- yoga lessons
- going for a walk
- starting a diet
- other?
